# Upper Miami Valley Regional Science Day Saturday, March 8, 2025

Edison State Community College  
North Hall, 1973 Edison Drive, Piqua, OH 45356

The Upper Miami Valley (UMV) Regional Science Day is for students in grades 5-12 in Champaign, Drake, Miami and Shelby counties. The UMV Region, which was established in May 2015 is affiliated with the Ohio Academy of Science. This year we anticipate that approximately 150 projects representing 22 public and private schools will be evaluated by qualified volunteer judges, each knowledgeable in their respective fields.

---

## For Parents and Teachers

Edison State Community College is proud to host the Upper Miami Valley Regional Science Day. To make this event a positive learning experience for your child, please read the following information and suggestions.

- Participants must be **accompanied by an adult**. Edison State Community College and the Junior Ohio Academy of Science are not responsible for your child.
  - Doors open at 7:30 AM for set-up. Judging starts at 9:00 AM, the public will be allowed in close to 11:30 a.m. and the Award Ceremony will begin at 12:30 PM. Program expected to end at 1:30 PM.
  - The names of participants and the table number of their display space will be found on student name badges and in the printed programs. Escorts will be available to help participants find their spaces. **DO NOT CHANGE YOUR SPACE.**
  - A Continental Breakfast will be provided at no cost to judges and students exhibiting projects, between 8:00 – 9:00 AM. **Lunch will be provided for judges and students.** Numerous restaurants available within 1/2 mile of the campus for parents & guests.
